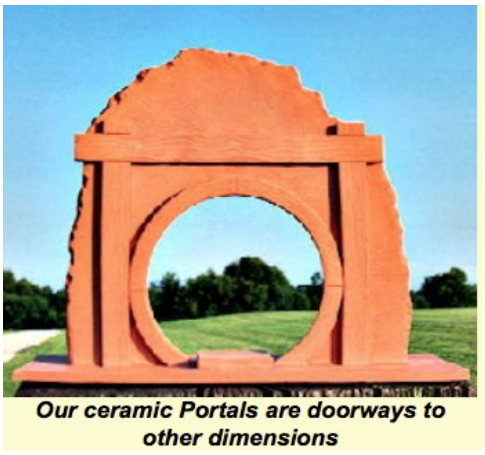
Not only is it possible but it appears that people have been walking into them for thousands of years. Even the Bible talks about DOORS IN THE SKY, WINDOWS IN THE SKY and GATEWAYS to the GODS etc. Portals are NOT NEW NEWS, we have simply never been told about them.



We have endless stories of people, bigfoot, dogman etc., disappearing in or coming out of them or beamed down from a UFO.

The Illuminati use the imagery of a portal opening, claiming it is the ALL SEEING EYE that is WATCHING US from above.

DAVID PAULEDIES MISSING PEOPLE 411 SERIES

Continue to report missing people all over America that are here one minute and then disappear. They will be with a group but may wander off for some reason and are never scene again.

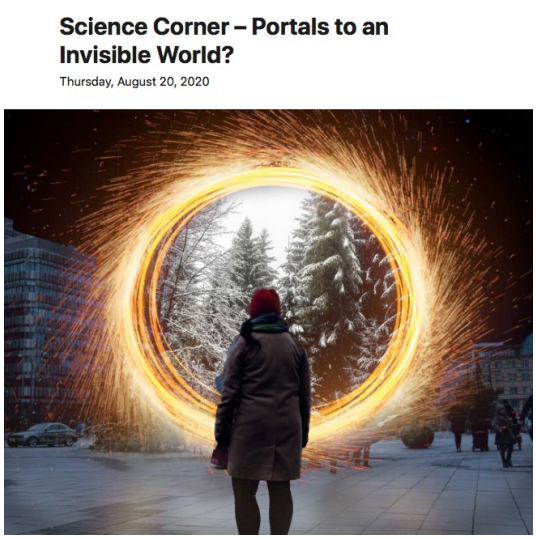
All that is left is their gear, boots and cloths. Dogs will not go into these portal regions and refuse to track humans that do.

There is no noise when they disappear. The regions where they disappear seem colder than usual, no bird or animal sounds are heard and the spot they disappear in were are extremely quiet. If sounds do occur they seem to be generated from UNDERGROUND where alien and shadow government an military base and tunnel systems seem to also exis today.



People continue to go missing around bolders, bolder fields and mountaineous regions

Ancient Portal Regions that related to mountains according to the ancient lore

I think the Bible is a propaganda document not just, because it is not the original CHRISTIAN that was destroyed by the early forming Catholic church but because it COVERTLY promotes the worship of aliens/the gods while neglecting to mention how many alien FALLEN WATCHER Elohim gods there really were.

Today 99% of people who call themselves Christians have no idea that the Jewish and other alien gods is not the same Heavenly Father Jesus came to introduce.

Prophecy: God Is Opening a Portal of Glory Over His People

The question is WHICH ALIEN gods are opening them?

People tell us that what the see at a portal opening is so illusive because at the opening of the portals there appears to be a ceramic curtain that looks like Saran Wrap.

WHERE ARE THREE OF THESE PORTAL REGIONS WE KNOW ABOUT WHERE THE gods ENTER IN THE MIDDLE EAST

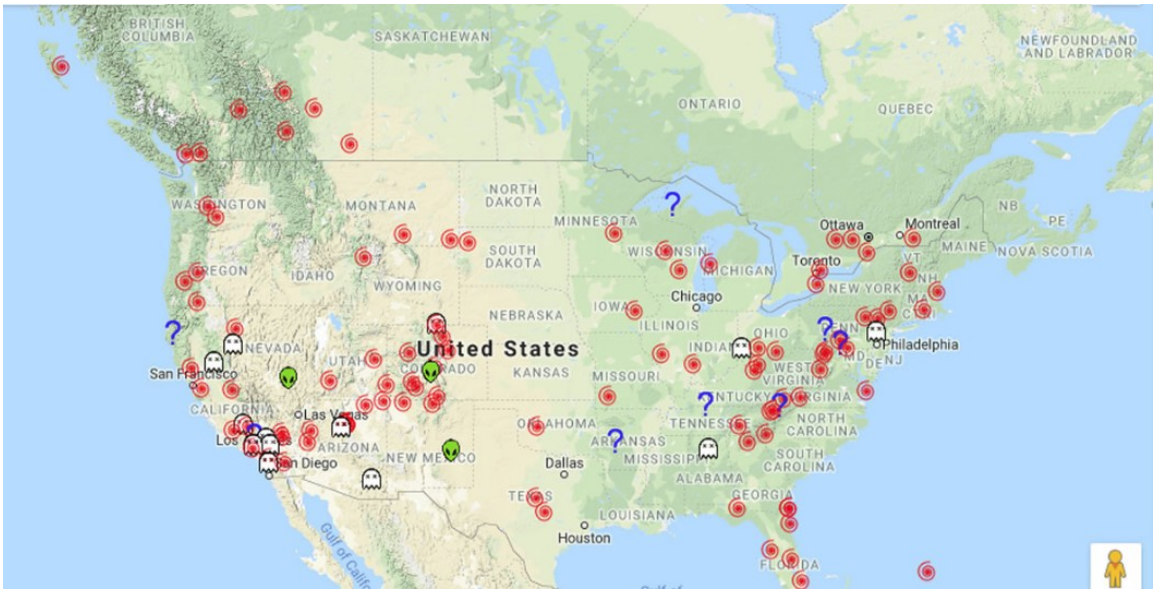
Ancient doorways were built in these portal regions



We seem to know where some of these portal regions or gates are in America today.

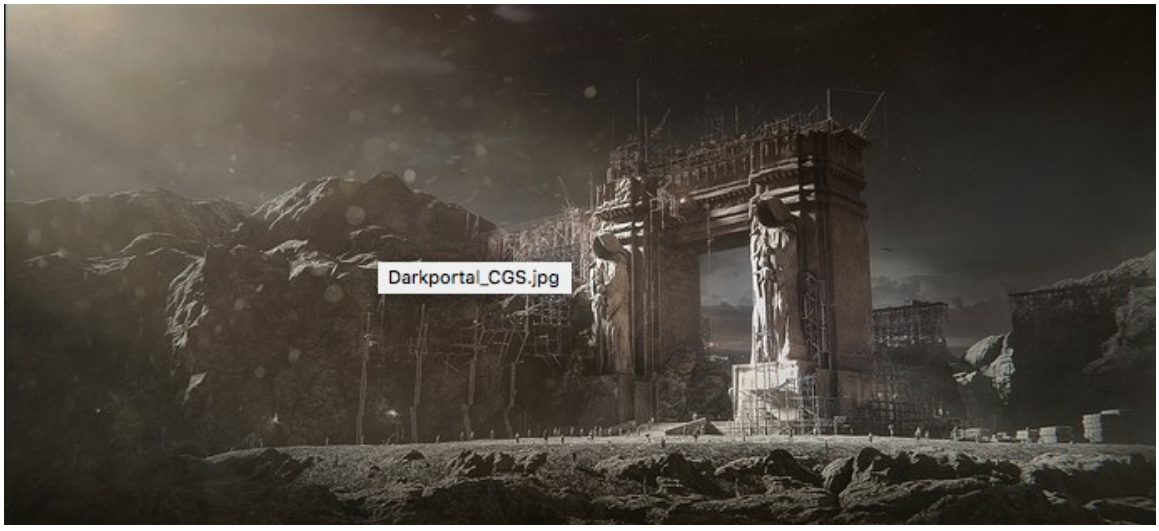
Another way to tell seems to be a slight drop on a picture where on one side of the board above the woman is shorter and there body is broken up as they walk into them or are at the door of one.



Ancient alien human hybrid cultures use to stand in these spots until a portal opening took them in. False scuttle butt is out there telling us that Jesus will soon come through the Eastern Gate in Jerusalem.

MY RESEARCH TELLS ME THESE PORTAL SPOTS ARE SIMILAR TO BUS STOPS WHERE YOU SAND AND WAIT TO BE PICKED UP

Remember Star Trek's "Beam Me Up Scotty"

They seem to be spots where aliens pick up passengers that are in or by them.

"In a literal sense, the Bible does not specifically describe Jesus speaking about "portal openings" in the way modern fantasy or science fiction might use the term.

However, the Bible uses the concept of "doors" and "gates" to represent access to the spiritual realm and to God's presence.

Jesus is referred to as the "door" in several biblical passages:

- John 10:7, 9: Jesus identifies himself as the "gate for the sheep," stating, "I am the door. If anyone enters by me, he will be saved and will go in and out and find pasture."
-
- John 14:6: Jesus declares, "I am the way, the truth, and the life. No one comes to the Father except through Me." This underscores the belief that access to God is exclusively through Jesus.
-

Other instances where the Bible mentions "doors" or "gates" in a spiritual context:

- Jacob's Ladder: Jacob's vision of a ladder reaching to heaven symbolizes a connection between the earthly and divine realms, a point of interaction between God and humanity.
-
- Psalm 24:7-10: Speaks of "gates" and "ancient doors" being lifted for the "King of Glory," interpreted as Christ's ascension into heaven.
- Revelation 3:8: Refers to an "open door" that no one can shut, which may symbolize God's provision for believers or opportunities to serve Him.
-

Regarding demonic portals, the Bible describes believers engaged in spiritual warfare against evil forces. Some interpretations suggest that engaging in occult practices or certain sins can open "doors" or "portals" for demonic influence.

In summary, while the term "portal openings" isn't used, the Bible frequently employs metaphors of "doors" and "gates" to illustrate the relationship between the physical and spiritual realms, and Jesus is ultimately presented as the ultimate "door" through whom believers gain access to God and salvation. "

I know all the things you do, and I have opened a door for you that no one can close. You have little strength, yet you obey my word and did not deny me.
REVELATION 3:8

CONCLUSION

To me other dimensions heavens or what ever you choose to call them are real. There is too much evidence to support that they are real to ignore them as fantasy. I am **NOT** a Christian; I follow what I think Jesus taught ONLY. He spoke of being at the door today ready to enter to save/rescue us. He said that we need to choose HIS DOOR to be saved today. That he is the savior and redeemer of HIS PEOPLE. He said "Look up your redemption is near."

We are living in the End of the Ages 7 Year Tribulation Period where Jesus is already operating/activating the warnings of the Book of Revelations. We are lucky to be here to watch this all play out. This is a time Jesus warned us about where massive deceptions are in place, which I refer to as the NWO GLOBAL ELITE ASHKENAZI ZIONIST KHAZARIAN BABYLONIAN PLAN TO RULE THE WORLD, which include the ALIEN AGENDA'S.

I have been researching all of this for over 24 years and love playing Sherlock Homes.
